## COST OF HOLDING AN ELECTION BOARD

An Election Board is one way of entertaining the people after the polls have closed and the heat of battle is just subsiding.

But many people do not realize that an election board costs somebody something and somebody a lot of work, so let's analyze that feature. Hamlin had a great crowd in town last Saturday night despite the mud and the rain of the day, and the bright lights about the election board and other things helped to keep the people entertained and busy.

HOW ARE RETURNS OBTAINED? Some years ago the Texas Election Bureau was organized for this purpose. It is made possible by member newspapers paying certain fees to the head office in the Dallas News building, where all reports center from the small places over the state. Then at certain intervals the member papers receive telegraphic returns which may be printed or posted or used in any manner they may desire. It costs money to assemble the reports and it costs money to send them out, and if the ticket is long, the results are slow.

For the July election the cost to the Herald was \$20.00 in Dallas. The local telegraphic charges for the entire evening were \$6.79 and the messenger boy service for \$1.00. Materials, drayage and carpenter work \$2.15. The items connected with the erection of the board were liberally contributed by the school board, Roy Gilbreath, Manager of the Rockwell Lumber Co., Turner Beard of the Spencer Lumber Co.

The money was contributed by the merchants and three or four farmers, as follows: Bryant-Link Co., M. T. York Stores, Safeway Store, F. & M. Bank and West Texas Utilities Co., all \$1.00 each. The following paid 50 cents each: Travis Dean, M. P. May, Joe Culbertson, Harold Bonner, Earl Smith, Rose Shop, Hamlin Motor Co., Terrell Grocery, O. K. Wilson, Carmichael Cafe, Reynolds Drug Co., Waggoner Drug Co., Bell's Cafe, Wilson Hardware, Raymond Jones (Gas Co.), Magee Beauty Parlor, Witt Jewelry, John Howard Gro., McDonald Cafe, Inzer Pharmacy, B. Hassen Dry Goods, Dunlap's Clover Farm Store, Pete Tidwell, Denman Morgan, Creed Smith Barber Shop, Limit Cafe (Fry's), Eddie Jay Bakery, Hyatt & Walker Grocery, Albritton Grocery, R. B. Spencer & Co., Geo. Howard Grocery, John T. Day & Son, Home Lumber Co., John Hassen Dept. Store, Strauss Dry Goods, McMahon Jewelry, Barrow Furniture, Jack's Cafe, Wienke Beauty Salon, W. T. Walker Oil, Williams Chevrolet, J. W. Jenkins (farmer), E. Kirksey (farmer), W. F. Johnson (trucks), J. C. Farris, (wheat king), R. H. McCurdy (compress), Sam Adkins Gro., Jess Young and J. B. Bowman. Those contributing 25 cents: Will A. Parker, Impeprial Barber Shop, and Carter Variety Store. Total \$30.25.

Mrs. Ferguson contributed an abundance of lights from in front of the Ritz Theatre.

The Herald Anywhere 1 Yr. \$1.00

### HILL BILLY MUSIC HELD THE CROWD

Another contribution to the entertainment of the evening was Jack Hindman's Rhythm Band. In this group were Jack himself with his drum, Loyd Howell with his violin, Earl Evans with his banjo, and Gaylord Benard with his guitar. These fellows delivered some "binding" mountain music, and the folks liked it. The boys left their jobs to play for the crowd and the crowd chipped in with donations into the hats of Ted Russell and J. C. Farris.

THE CROWD HAD FUN

Along about 11:30 the crowd began to dwindle away. It was clear that "their" candidate was safe "on first" and they left feeling happy that he would come into the home base with a perfect score.

The election board this year was perhaps the most successful of any ever held in Hamlin. Good lights had much to do with that.

Expressions of merchants are that they would like to see the folks entertained here every Saturday night, or afternoon. It does everybody good to get together and rub

## "Governor" To-Be

W. Lee O'Daniel

Honor to the man who accomplished the "impossible" down in Texas, the man who won the governor's nomination in an open field against ELEVEN Texas opponents—and by a count of perhaps 30,000 top-heavy majority. For 100 years the question will be asked, "W. Lee O, how did you do it?" The official count will not be known till after this Saturday.

## GOVERNOR O'DANIEL HAS PRESS TALK

It is time to begin listening to the voice of the next governor of Texas, or maybe we should say, all the rest now should sit up and take notice. So below we are sniping a few sentences he is reported as saying in his first press conference in his Fort Worth "governor's mansion." He says:

"When I'm sure it is all over I'll pack wife, Mike, Pat and Mollie into my automobile (not sound truck) and go off to Galveston or somewhere for a vacation.

"I will continue to write, direct and speak on Hillbilly programs till Jan. 17, and I'll have to find somebody to take over then . . . have no idea who it will be.

"I have plan in mind, but I'll be like the doctor before I prescribe, I'll have to get the facts and diagnose the case.

"I have had a lot of experience in getting along with people. I know that co-operation is the secret of success in government as well as in business. (referring to the legislature)

"I will admire anybody who opposes me, if that is his honest conviction. I have no idea of shoving anything down anybody's throat in a dictatorial manner.

"Well, I've sort of taken the citizens of Texas into partnership on this thing and I'd certainly like to keep them informed and seek their advice constantly.

"I feel quite equal to my task and qualified. I am confident of a brighter day for Texas. I am happy in the thought that I indulged in no personalities in the campaign and have no bitterness in my heart toward any man, woman or child. I am not of the disposition to gloat over victory. I humbly bow to the will of the people, accept their mandate, and with the help of God and the co-operation of my good friends and the citizens of Texas, we shall march onward and upward to happier days."

OUR NOTE: We know of no law in Texas against any company or person paying for radio service. We see no reason why Mr. O'Daniel should not use a quarter or a half hour each day over the radio if the state does not have to pay for it. Come on with the music.

Miss Louise Proctor's name was not included along with that of Mr. and Mrs. Jess Young in their California trip. They all got away so hurriedly that but few knew she went. Yes, she had a good time with them and they all arrived home after enjoying so much of the west-

elbows, exchange jokes, break that glum scale on the face, and get an idea of what the other fellow looks like.

## Oil Continues To Attract Attention Around Hamlin

Stonewall County has at last become an oil field. Up within about

5 miles from Swensen, a very deep well, the Carlile, No. 1, in fact it found oil from 5,169 to 5,176 feet. It is at least 40 miles from the nearest field, Rotan or Hinson area in Fisher County. Production is estimated as about 400 barrels. One Hamlin man has about 6,000 acres leased in the Swenson block, and come very near the well.

Interest is being raised this week in the Skinout Mountain neighborhood. Now just where is Skinout Mountain neighborhood? Well, sir, it is that area on top of the plane, west of the Chittenden Ranch well, and was once a part of the Chittenden Ranch. There are a lot of fine farms over there, and it looks as if somebody is going to find out if

those farmers have oil under their houses.

Machinery is being assembled this week for spudding in on the F. W. Poe farm, and another location has been made farther south on the Phillips farm. Just here we can say that the finest view in Jones County is gained from the Skinout Mountain rim. East there is a sheer drop of maybe a hundred feet and the top slopes gently west and the first stream to break the level terrain is Dry Callie. Dry California Creek which runs, actually from the south toward the north.) Oil may be stored up in such a geological twist of earth. All that area is under lease and a good price was paid. The next few weeks all eyes and ears will be on what may become "Skinout Mountain Pool."

## EVERYBODY KNOWS IT RAINED A BIG LOT

It seems hardly necessary to say in the Herald that this section of West Texas has had a good drenching. In fact a whole week of rain, has given us a mid-summer season of unusual proportions. How much did it rain? Too much to be measured, might say four or five inches, maybe more. However the rains fell in spots, and the showers had to keep up till every community got its share. Everybody is satisfied now and there is nothing left for people to do but wait till harvest time, and what a harvest.

It looks now as though there will be a bumper feed crop. It looks as if there will be a fine cotton crop, unless something bobs up to eat it back. It looks as if there will be more than a plenty of grass for all pastures. The question of water is settled for this year. Hamlin lakes have been running over and around for several days. Every creek has had a capacity load of rushing water. So there is nothing now to worry about unless it be some fantastic booger on down the road. There are lots of things to think about, to worry over and to work out. One of them is the cotton question. That is our money crop and it looks as if the present program will not stand up long. Something will take its place, and it should be the farmer who accepts the next plan before it is established.

Plenty of rain, good soil and sunshine could cause so much to be made till everybody would become hungry . . . think of that. So let it rain.

Mr. and Mrs. J. H. Windel returned to their home in Granite, Okla., Wednesday after visiting their daughter, Mrs. L. H. McBride and family.

## REVIVAL-SINGING SCHOOL TO START

HAMLIN MISSION NOTES

On account of the continued rain, we postponed our singing school until Monday the first day of August. The Pope Trio, of Anson, will have charge of the song service each night during the revival, beginning Sunday night, July 31.

We extend a cordial welcome to all good music lovers, and all that are interested in the promotion of an old time revival to join in with us in this campaign.

Full announcements for the week will be made Sunday night.

DR. L. P. McCRARY.

### GOSPEL MEETING

Are you attending Gospel services at Flat Top? If not, you are missing great services. Services begin each night at 8:30. We urge every one to attend the rest of these services.

P. J. O'DONNELL, FORMER HAMLIN MAN, DIED IN PA.

Information reached Hamlin last Friday that P. J. O'Donnell, formerly of Hamlin, and prominent in this section in the oil business, had died suddenly at some point in Pennsylvania, and that his body would be buried at his former home in Genesee, Pa.

Mr. O'Donnell and his wife and two daughters, Marjorie and Patsey, were in that state visiting relatives. Their home was in Abilene.

This family resided in Hamlin about two or three years and was connected with much of the oil production west of Hamlin.

W. H. Murphree left Sunday for Bethany, Okla., where he will likely spend five or six weeks.

## EVEN THE PICTURES LOOKED DOWN-CAST MONDAY MORNING

Say fellows, pull down all the saddened candidate faces that have decorated your walls and prominent corners during the past few months. There is no further use in keeping reminders up in a lost cause. Dump all the literature that you accumulated for your favorite and did not find time to scatter. Forget all promises. Good democrats don't kick.

## THE LEGISLATURE SHOULD CHANGE STATE SONG

Honestly, no joking, the Herald is suggesting that the state song, "Texas My Texas" be changed to "Beautiful Texas" by legislative act. No joking, Mr. O'Daniel's "Beautiful Texas" is far more "singable" than the one that was selected by a non-musical committee some years ago. "Texas My Texas" is hard to sing, its harmony is not so hot, and will never be popular. So if we were in the legislature, bill No. 1 would be to change our theme song to "Beautiful Texas."

## IT DID HAPPEN DOWN IN GOOD OLD TEXAS

Texas had her Ferguson and a Ma for governor. Louisiana had her Long and now Texas is going to have something new. Something new has already taken place down in Texas. Texas has chosen, in a nation-wide record-breaking campaign, a governor out of a square dozen candidates and delivered him a majority over and above ALL, unheard of in the history of the world.

Don't say it can't happen in Texas—it did.

Texas people nominated a man who had been in the state but about 13 or 15 years, a man who made no claim of how to handle himself in a political manner. Texas picked a man who himself did not expect it. Mr. O'Daniel is more greatly surprised than anybody else.

A man, who says he does not know what is to be done, how much or how little, but will examine and diagnose the case. He is a man who certainly is not tied by any "strings." He said he had no platform, except the Ten Commandment, and would be governed by the "Golden Rule." The people paid him to make the race by filling his "flour barrels." And if there are any strings on him it is the people. His children and his wife have no strings on him, not even is he tied to himself, as none of them voted for him.

Mr. O'Daniel had something the Texas developed boys did not possess. He beat a whole gang of Tex-

ans—ELEVEN—in a clean cut show down. It was a Joe Louis knock-out in the first round. It happened down in Texas.

It takes something besides "what is" to attract the ears of the people. Mr. O'Daniel was the only man in Texas who observed how easy the late Huie Long put things over down in Louisiana by means of a sound truck and a little music. He recalls how easy it was for Mr. Long to go over into Arkansas and help Mrs. Carraway to win with loud speakers and music. The Texas boys ought to have caught the idea first, but they did not and so they let it happen down in Texas.

Let's not expect too much of any man. One man can not hurt or help the state much in two years.

Mr. O'Daniel got caught without his poll tax and turned a delinquent charge into a cry that made him thousands of votes. But he can not make the no-poll tax receipt idea stick, down in Texas. He may want to give a universal gift of \$30 to every man over 65 down in Texas, but the federal part won't be forthcoming. It would be fine if somebody could cause to be built a factory for everything needed down in Texas, and maybe Mr. O'Daniel will go places on that line down in Texas.

Mr. O'Daniel has won a wonderful victory down in Texas and every good citizen should hope he will close his administration or administrations with everything more "Beautiful Down in Texas." He has the key to leadership and all "the Eyes of Texas" will be upon him," to see how well he can charm the legislature down in Texas.

## TEXAS CAN PLAY POLITICAL FREAKS

Webster says, "Freak" means sudden or capricious change of mind, or whim; a prank.

Going back over a bit of history the last fifteen years or less, we do find that Texas has played some political pranks in its political trends.

Once upon a time we had a man who said "I'll not be eliminated," he was a business man-banker-farmer and became governor and the idol of many people but in after years he was impeached. That was something for Texas. Later this same man wanted to run for governor but could not hold the office in his name if elected... hence on the ticket went the wife's name. She became the United States' first duly elected woman governor. Things got tangled up a bit again and once again this same woman was elected and took over the mansion's kitchen, while her husband brought in the wood and the water.

Once upon a time Texas refused to be even Democrats and shocked

the United States by going over and sitting in the Republican column. Texas has a way of doing things unusual when the fancy strikes her people.

This summer finds Texas in the limelight again. Texas people seem to be soured on something and turned the state upside down, politically. Hence national magazines and writers will play up Texas again as the wonder state, politically.

One would get the impression that Texas people are weary of "professional politicians," that is the way the picture looks from one viewpoint this week, but evidently that is not the case. We find a big majority, over all, for the Commissioner of Agriculture who has been in office two or three terms already. We find our Treasurer back, over all, again after several terms in office. We find one Railroad Commissioner heading a big list after holding that office many years. We note some county offices being filled again with third term holders. So the conclusions are that people are only "weary" and somewhat politically tired in spots... just enough to convince anyone that you can not tell what public sentiment will do on short notice in Texas.

## H. A. McWRIGHT SAYS DON'T LOOK FOR HIM TILL XMAS

The Herald has a card from H. A. McWright, who is on a trip to the West Coast. It was from Main Street in Tijuana, Mexico. Saying "Am having a wonderful time and may not be home till Christmas." It is not uncommon for an old boy like H. A. to get quite pepped up out on jaunts like that.

## A LETTER FROM

Washington, D. C.,  
July 25, 1938.

Dear Mr. Pope:

Enclosed you will find one dollar for the renewal of the Hamlin Herald. It is a swell paper and please keep up the good work. We all enjoy reading it, and when you get so far from home, well it is a great friend.

Tell every one hello for me and thanks a lot.

Yours,

GILBERT FREEDMAN.

P. S.—Washington is a swell place, almost as good as Hamlin.

THANK YOU, Gilbert—all your Hamlin friends are glad to hear from you. Say Hamlin is a cool wet place this summer. All lakes full and water bank-full in the streams—believe it or not.

## ROBERT CROSS GRATEFUL TO VOTERS

I do not possess adequate words in which to express my appreciation to the people of Jones County for the vote they gave me last Saturday. You have re-elected me by a majority, over two worthy opponents, to serve you as your District Clerk for another term. I deeply appreciate the confidence you have placed in me in re-electing me to this important position of your County Government.

I keenly realize that it was my friends, who worked so hard in my behalf, that have elected me, and my wife joining with me, especially desire to thank those who worked in our behalf.

I sincerely thank each one who voted for me and of course, have no ill feeling toward those who did not. I appreciate the honor of serving all the people of Jones County as Clerk of your District Court in the past and shall strive in the future to give you the courteous and efficient service that this office requires.

Sincerely yours,  
ROBERT CROSS.

## BILL DUNWODY THANKS VOTERS

I wish to take this as one method to thank each of you for the splendid vote given me in the race for nomination of Sheriff. I consider each vote as a voice of confidence, and it shall be my aim and desire to fulfill the duties of this office in such a manner as will be a credit to both you and myself.

I will always keep in mind that this office is a public trust; I will serve you day or night, both in an official and in a personal capacity. Thanks, again,  
W. A. (Bill) DUNWODY.

## Points and Personalities

by doris pope

After the big election Saturday, things seem pretty dull. All we have heard for the past two months is politics, and now for the past week the chief pastime has been a general "re-hashing and re-playing" of the outcome of the votes. Being democratic Texans, we go by "may the best man win", and then we will all be loyal to the "winnah." So much for politics—but there must always be something to cause excitement and comment, and ladies' styles and fashions come to the front again. You've heard and read about the new fall styles for women, created by that famous designer Schiaparelli, but believe us, you ain't seen nothing yet, until you see her French model 'doll hats' now on display in one of our popular ready-to-wear shops.

—00—  
Since a certain young oil man is carrying around an injured arm, some people are wondering just how it happened. Surely his wife doesn't pack such a powerful wallop.

—00—  
When Dicky Ferguson and Denman Morgan decided to take a boat trip, the sale of sea-sick pills increased to an unbelievable peak in Hamlin.

—00—  
When your note comes due at the F. & M. National Bank, just ask the auburn haired cashier for the ministerial discount.

—00—  
We heard that a well known and popular young man who likes gray Fords has proved to be a very wonderful host since his family left on their vacation.

—00—  
A number of business men of our fair city proposed to make up a purse to send a well known brunette steno and her brunette sales-lady friend on a swell vacation trip—if they would go and stay. (That almost sounded like a bargain for them.)

—00—  
Imagine how you would feel if your love interest left town and didn't tell you. A prominent manager of a ready-to-wear department of one of our leading stores either failed to advise her gentleman friend that she was going to the big city, or she slipped off. (Draw your own conclusions; your guess is as good as ours.)

—00—  
If you're wondering why a certain prominent druggist has sore thumbs, just pipe his new striped suspenders.

—00—  
Who is trying to borrow Weldon Johnson's walking and for what reason?

—00—  
What recent (very recent) bride started to sign a check in a very popular store and couldn't spell her husband's name.

—00—  
If you own a car that is exactly like somebody else's in this town, you'd better be careful or you're likely to be left a-foot. Last week we happened upon the scene just as a well-known railroad man, who also drives a black Chevy, was about to drive off—in our car. Moral: take your key with you... or mark your car with a big white "X"... or something.

—00—  
OFF TO NEW YORK

Sunday two of Hamlin's young business men, Denman Morgan and John Dixon Ferguson left by train through Sweetwater for New York. They will make stops in New Orleans, Washington, and from New York their return trip will be by boat to Galveston. It is said they took their swimming clothes with them, life belts and life savers, a couple of overcoats and mosquito netting. Lets hope they will get back and not sail in the wrong direction.

Tom Carter of Roswell, New Mexico, came in Monday for a short visit with old friends. Tom graduated from the Roswell High School this year. His family moved from Hamlin to that place about eighteen months ago.

Mr. and Mrs. J. O. Gieger and mother, Mrs. A. J. Gieger, of Fort Worth, visited here with their niece, Mrs. H. G. Hull, and other relatives, the past week.

## Uncommon Americans

By Elmo Scott Watson

### African Victor

HIS NAME is forgotten now but he was once a national hero. For he was the leader in one of the most spectacular exploits in American military history.

William Eaton was his name and he was a native of Connecticut who had come out of the Revolution as a sergeant at the age of seventeen and later won the commission of captain in the American army. In 1798 he was appointed consular agent at Tunis and, by his skill and daring in handling the ruler of that country, he secured for American commerce complete immunity from the Tunisian pirates. But the pirates of Tripoli were still preying upon our shipping and in 1803 Eaton, returning to America, secured from President Jefferson permission to try a plan which would put an end to the war.

He proposed to enlist the services of the deposed Ahmet, brother of Yusuf, ruler of Tripoli, lead an expedition into Tripoli, depose Yusuf and put Ahmet, who would then be friendly to the Americans, on the throne. He was successful in getting Ahmet's promise to aid him and early in 1805 he started out from Alexandria, Egypt, with his army of 400 men consisting of nine Americans, 40 Greeks, 28 artillerymen of various European nationalities and the remainder Egyptians, Turks and Arabs, to capture the town of Derna.

His was an epic journey of 500 days across the desert. During that time Eaton not only had to endure the hardships of a country in which the thermometer never dropped below 120 degrees but he also had to quell a mutiny, led by the man he was trying to put on the throne—Ahmet himself. But finally they reached Derna and there with some aid from three small American warships, Eaton and his men stormed the defenses of Derna, put to rout the 800 defenders of the city and took possession.

For several weeks afterwards he beat off the attacks of the enemy but in June he was ordered to evacuate the city by his government which thus threw away the victory he had so splendidly won. The only good that came out of his expedition was that some of the American seamen seized by the Tripolitans were exchanged for prisoners Eaton seized when he captured Derna. Eaton returned to the United States where he was hailed as a hero for a time. But he was soon forgotten and he died, broken-hearted and in poverty, in 1811.

## E. EARL ISBILL HAS SOMETHING TO SAY

I wish to convey my gratefulness and appreciation to each one who in any way was responsible for my receiving a splendid vote in the first primary, and especially do I appreciate the help of those people whom I did not see because of necessary duties in the office.

I shall try very hard to see each one of you personally between now and August 27. I have tried to solicit and deserve your consideration and vote because of five or six reasons: namely

FIRST—On the democratic principle of the second term, since I have had it only one term and have tried to serve you conscientiously and well, and because my opponent has already served in this capacity for two terms, one of them a two year term and the other a four year term.

SECOND—I have strived to fit the needs of a school to the needs that it should be left wholly up to the people in each community to determine how many grades are taught there, and for that reason I have never tried to dictate to any school board as to the number of grades that shall be taught, but the people have spoken or can speak through their elected representatives, the district trustees, and we have classified the schools accordingly. I wish at this time to express to the several boards of trustees my deep gratitude for their very splendid cooperation during these strenuous times, when the loss of scholastics in the different schools, is a serious problem, when the requirement of 100 per cent tax collections being figured in the budgets instead of 80 per cent in former years is a distressing problem, and when the 31 per cent loss in State Aid payments from the actual grant throughout the State on Salary Aid as compared to 94½ and 95 per cent on other types of State Aid make it practically impossible to finance a full term of school. It is unfair and unjust to the rural school this year, just as paying a smaller per cent on tuition was unjust and unfair two years ago, and I wish to restate my position on that proposition in order that I may not be misunderstood. I believe that every type of State Aid should be paid the same per cent of the grant made.

THE THIRD REASON is that the number of Standardized and Accredited schools have increased from THREE to FIFTEEN during my tenure of office, largely and almost wholly due to the very efficient work of the teachers.

THE FOURTH REASON is that I have paid approximately \$13,000.00 more bonded debt during my first term than had been paid in ANY previous four years.

THE FIFTH REASON is that I have my B. A. Degree and have tried during the past few years to keep myself informed as to the fast changing curricula in order that I might meet the many perplexing problems as best I could.

The last claim upon which I base my plea for your support in this second primary is that I have tried to the best of my limited ability to render courteous, efficient and constructive service, with impartial decisions rendered when responsibility demanded, attempting to deal as fairly with you as I would have you deal with me. Upon that record, and that record only, and being deeply grateful for all past favors, I earnestly solicit your active support in the coming primary.

Very sincerely,  
E. EARL ISBILL,  
Candidate for  
COUNTY SUPERINTENDENT  
(2nd Term)

### REP. TRAVIS B. DEAN

#### A LITTLE SHORT OF ELECTION

I sincerely appreciate the vote that my friends gave me. I now have a lead of nearly 1000 votes over the next highest man. I intend to conduct a vigorous campaign and I expect to see you personally. In the meantime I solicit your continued support.

Yours truly,  
(adv.-pd.) TRAVIS B. DEAN.

OTIS MILLER, DISTRICT

### ATTORNEY, THANKS VOTERS

To the People of Hamlin and Surrounding Communities:

I want to take this opportunity to express my sincere thanks and appreciation to the people of Hamlin and surrounding Communities for the splendid support accorded me in last Saturday's election, and to kindly solicit your vote and influence in the coming second primary. To the people in Fisher county who are readers of the Hamlin Herald I want to express my deepest appreciation for the splendid vote given me by the people of Fisher county. With good will toward all and malice toward none I earnestly solicit your support on the basis of qualifications, a proven record of service, and an unswerving fidelity to a sacred public trust that involves the lives, liberties and property of 85,000 people of three great Texas counties. Sincerely your friend,  
OTIS MILLER.

## FROM IRVIN SANDERS

TO THE PEOPLE OF  
JONES COUNTY

I take this method of thanking each of you for any effort you put forth in the interest of my campaign for the sheriff's office, and especially do I thank the ones that voted for me, and to those of you who did not I have the best of feeling. I realize the unusual condition that existed in politics this year and do not take it as a defeat on my part, but rather a victory for the other fellow, as his friends are my friends and my friends are his; and as a big majority have selected him for their sheriff for the next two

## To the Voters of Hamlin and Vicinity

I wish to take this opportunity of expressing my sincere appreciation for the splendid support given me in my campaign.

If I can be of service to you or your community at any time, it will be a pleasure to do so.

Sincerely,

**Roland Dunwody**

years, I commend him to you and publicly congratulate him as I have personally.

I did not get to meet near all of the voters of the county as I did not have time on account of other work that I was being paid to do by the taxpayers and could not afford to neglect it.

Even though I did not win, I value the new acquaintances and friends that I made more than the time and money that I spent.

Again I thank you who supported me, for your vote, and those that did not, for your consideration and I hope I meet you more often.

IRVIN SANDERS.

## B. T. BEAVER

THANKS THE VOTERS:

To the Citizens of Jones County:

I wish to express to you my sincere thanks for the splendid support you gave me in my race for the office of County School Superintendent. You gave me a nice lead in the first primary. I earnestly solicit your continued support in the second primary.

To those of you who did not support me in the first primary, I am now asking your careful consideration. After you have given me your consideration, I shall appreciate your help, if you see fit to assist me.

If elected, I shall strive diligently to render courteous and efficient service.

Sincerely,  
B. T. BEAVER.

Mrs. J. M. Tims has been very ill all this week. Her children and grandchildren have been at her bedside constantly. Roy Tims, a grandson, who was in training at Fort Sill, Okla., came in to be near her.

## MR. TURNER SAYS

TO THE VOTERS OF  
PRECINCT NO. 1

I want to thank every one for your vote, and want you to know that I appreciate your confidence and support for Commissioner. And especially do I appreciate your cooperation and words of appreciation for the work which I have tried to do, and the way in which I have tried to look after the finances of Precinct No. 1 and Jones County.

Being Commissioner is no position, but a real job if you really try to do something for their money. And your co-operation and words of appreciation are really helpful and I want you to know that I am going to do my best to merit a continuance of your good will.

To those who voted against me, you had a perfect right to do so, but I want you to know that I hold no ill will against you and am serving you just the same as others and am ready and willing to do anything for you that I can do and which is just and right.

Let us all remember this, that every service which we receive from any department of government comes from taxes. Therefore there are many things that we are requested and would like to do, but it is impossible to do them.

Sincerely Yours,  
JNO. C. TURNER.

THE PUBLIC'S response to the adoption of a Code of Practice by the members of the Brewers Foundation was prompt and favorable.

Newspapers, social service groups and thousands of individuals expressed great satisfaction with the brewers' determination to conduct their business in accord with the desires and conscience of the American public.

The Code pledges the brewers publicly to "support the duly constituted authorities in the elimination of anti-social conditions wherever they may surround the sale of beer to the consumer."

## MCCAULEY MATTERS

By JOHN P. HARDESTY

Honoring Miss Kenna Rector, bride-elect of Leldon Clifton of Winters, Mrs. Luther Rector entertained with a gift tea at her home last Saturday afternoon from 2 to 6:30. Some 150 guests registered. The wedding will be held in the Baptist church Saturday evening, July 30, at 7:30. The public is invited to be guests. Miss Rector is the only child of Mr. and Mrs. F. L. Rector. She has been reared in McCauley and for the past several years has been a popular teacher in the McCauley public school. Mr. Clifton is also a teacher. He and his bride will teach together in Jones county next school year.

Mr. and Mrs. J. M. Patterson and daughter, Louise, of Abilene, were visitors in the Levi McCollum home Tuesday.

Mrs. W. H. Stephenson and daughter, Ora, made a visit with relatives in Dallas over the week end.

Mrs. Nelson Hutto and daughters, Emily Frances and Erma Nell, of Dallas, visited their parents and grand parents, the Hardestys, last week.

Mrs. Wiley Martin and daughters, of Stamford, are visiting relatives in McCauley this week. McCauley welcomes the W. H. Pickron family back as neighbors. They have been at Mineral Wells for several months.

The writer, assisted by D. L. Smith and Miss Bill Milsap, is conducting a revival meeting at Swedonia. The services will close Sunday night, July 31.

The Baptist revival at McCauley will begin next Sunday morning. The Rev. C. E. Dick, Ovalo, will do the preaching. Sunday services will be held in the church building but will be moved to the tabernacle on Monday. This arrangement is necessary on account of the Church of Christ meeting now being held in the tabernacle, but which will close Sunday.

The Methodist revival meeting has been changed from the 4th Sunday in August to the 3rd Sunday. Rev. U. S. Sherrill is to aid Pastor J. R. Bateman in the meeting.

Miss Vera Tate, Lubbock, a teacher in our public school, is visiting her relatives, the Rectors at McCauley and the Ezells and Mays at Hamlin. She is also here to attend the wedding of Miss Kenna Rector.

John Griffin and family of near Fort Phantom Hill, are visiting relatives, the Griffins and Perryman, here this week.

There is probably other news but we got so much Hill Billy flour in our eyes the last few days that it is hard to see. At any rate W. Lee O'Daniel has our sincere congratulations. We are for him to the limit to help him to be the best governor Texas has ever had. "We like mountain music."

## CHURCH OF THE NAZARENE

The Hamlin Zone Rally, of the N. Y. P. S., and Sunday School will meet with the local church Sunday, July 31, for an all day rally. Rev. J. Walter Hall, will preach at the eleven o'clock hour and dinner will be served at the church. There will be a program by the Societies and Sunday Schools in the afternoon. The regular evening service at 8:15 P. M. The public is invited to attend.

W. F. Rutherford, Pastor.

Mr. and Mrs. A. D. Ensey of KMA were here this week while workmen repaired their picture show that was damaged by fire some time ago. The block burned out up to the picture show and a big cafe. Damage was mostly by water.

## J. C. HARWELL

TO THE VOTERS OF COM.

PREC. NO. 1 JONES CO.

The verdict is yours. I accept your decision. I have made a clean race and it was a pleasure to meet with all of you good people and I hope it is the beginning of a continued friendship.

I hold no malice against any one. I am grateful to those who saw fit to support me and am especially proud of the vote given me in my home box and in the adjoining communities, who know me best and hope we may be more successful in the future.

I think the economic condition of the agricultural world was never more serious and as the election is over let us put on a united front and make a fight for that which is rightfully ours.

Respectfully,  
J. C. HARWELL.

Mrs. Richard Hinkle and little son, Harry Bowen, returned to their home in Monahans Sunday afternoon, after spending three weeks at the home of the parents and grandparents, Mr. and Mrs. Bowen Pope.

Miss Vesta Hallmark, of Vernon, a niece of Mr. and Mrs. John and Elmer Stonsifer, is spending the week in Hamlin.

## DOVIE NEWS

Our revival started July 20. Rev. Ellis Todd is our pastor, but Rev. Coggins of Ovalo is holding the meeting. Every one is invited.

The Epworth League at Dovie is doing a great work. During July we have had many interesting programs and Sunday night, July 3, we sponsored a play for the whole church, "The Good Samaritan."

Tuesday night, July 19, Mrs. Irene Harris gave the League a social. Every one had a nice time. Many games were played. Eighteen young people were present.

We now have seventeen members in the league and each member is very active.

The following report is rather old, but it has never been in the paper. June 6-10 Dovie was honored by sending two delegates to the Summer Assembly at McMurry College at Abilene.

Those attending were: Morris, Bessie and Alvis Cooley.

June 13 Dovie sent two delegates to Buffalo Gap to attend the Summer Encampment.

The delegates were: Weldon Cooley and W. T. Malone. During our meeting we have had a very nice rain. Each morning after our service we have a nice shower and it clears off just before our night services. These showers seem to give everyone the right spirit for the

meeting. We want to say again everyone is invited to the Dovie revival.

## MARTIN MAKES HONOR
